

## Thierry FACON, MD

### **Lille University Hospital, Lille, France and French Academy of Medicine, Paris, France**

Thierry Facon, MD, is Professor of Haematology in the Department of Haematology, Lille University Hospital, Lille, France, a position he has held since 2000. He currently serves as President of the French Society of Hematology (2021-2025) and is a Member of the French Academy of Medicine (Académie Nationale de Médecine).

Professor Facon was President of the Intergroupe Francophone du Myélome (IFM) between 2003 and 2006 and has presented at several international congresses, including the Plenary session at the annual meeting of the American Society of Clinical Oncology (ASCO) in 2006, the Plenary sessions at the annual meeting of the American Society of Hematology (ASH) in 2013 and 2018, the Educational Session of European Haematology Association (EHA) in 2008 and 2014, and the Educational session of ASH in 2015 and 2018. He co-organized the XIIIth International Myeloma Workshop (IMW) in Paris in 2011, and is a member of the American Society of Hematology (ASH), the International Myeloma Working Group (IMWG), and the International Myeloma Society (IMS). He serves currently as Associate Editor of Leukemia, and is a founder member and administrator of the Fondation Française pour la Recherche contre le Myélome et les Gammopathies (FFRMG) under the aegis of the Fondation de France whose main objective is to enable scientists and students to carry out research programs in host laboratories in France or abroad. He is a co-organizer of the myeloma international COMY meeting and a member of the ESH board.

He has presented the “Pierre Stryckmans Memorial Lecture” of the Belgian Hematological Society in 2015 and received the Joseph Michaeli Award from Weill Cornell Medicine, New York USA for his contributions to the treatment of Myeloma Research in 2017. He is an Honorary Professor at the Institute of Hematology & Blood Diseases Hospital, Chinese Academy of Medical Sciences, Peking Union Medical College, China since 2015 and received the Saint Antoine EBMT achievement Award in 2017. He received the Robert Kyle career achievement Award in 2020.

Professor Facon is author and co-author of a number of articles and has published his work in various prestigious international journals including, as first or senior author, The Lancet and The New England Journal of Medicine.
